## Mentoring Moments at the 2026 NCDA Global Conference

NCDA has selected **YOU** to participate in **Mentoring Moments** at the 2026 NCDA Global Career Development Conference in Minneapolis.

We recognize your leadership and contributions to the field—and invite you to help shape the next generation of career professionals.

### WHAT ARE MENTORING MOMENTS?

At this year's conference, early career professionals will engage in:

-  25-minute mentoring sessions
-  Meaningful, one-on-one conversations
-  Guidance on career growth, professional development, and self-care

These short but impactful interactions are designed to:

- Foster connection and belonging
- Encourage collaboration across experience levels
- Inspire growth and confidence in emerging professionals

### WHY PARTICIPATE?

As a mentor, you'll gain:

-  A renewed sense of purpose and fulfillment
-  A stronger connection to NCDA
-  Opportunities to enhance your leadership, coaching, and reflective skills

*And most importantly...*

**You'll make a lasting impact  
on someone's career journey.**

### WHAT'S THE COMMITMENT?

- ✓ Volunteer 1+ hour during the conference
- ✓ Participate in scheduled sessions in the Exhibit Hall
- ✓ Connect with a small group of early career professionals

This is not a formal long-term mentoring match—any continued connection is entirely up to you.

### BE PART OF SOMETHING MEANINGFUL

These moments are designed to spark:

- ★ New professional relationships
- ★ Expanded networks
- ★ Ongoing collaboration beyond the conference

**Because even one conversation
